

Mug Business Meeting 2014

Last year it was mentioned that you can register with the state as a corporate group to apply at financial institution for a banking account. Forms were filed with the state and received and hopefully within the month we will remove funds from Wayne State University and open our own checking account.

No grant funded money for scholarships to attend MUG has been used. Possibly we can approach Sirsi Dynix to send out mailing to customers in Michigan who are not on the MUG listserv. A. Bondar volunteered to work on drafting an email.

S. Andrary attended our meeting remotely again this year.

G. Marck asked if remote attendance was beneficial. For those far enough away it may be the only way they can attend. The possibility of recording the meeting to be able to post on our website was mentioned.

The location of the meeting was again discussed. It was mentioned that we can't find a location that will satisfy everyone so some people may elect not to attend in a particular year. The Troy location worked well for a number of people in the State as did Baker College in Flint. Another location that might be a possibility would be Lansing. Delta College was mentioned as a possible venue with a large enough room.

The possibility of providing feedback to SirsiDynix was mentioned but since we want to have a one-day format possibly we could solicit and compile feedback ahead of time and present it at the meeting.

J. Dyki agreed to take on WebMaster tasks to help Chris.

Elections – Nominations

President - Becky Riesterer

Vice President –

Secretary – Judy Dyki

Treasurer –

Member at large nominations: Brigette Felix
